M2 Living: 79²
M2 Plot: -
M2 Terrace: -
Address: Miraflores, Málaga

Surrounded by a beautiful garden, furnished apartment with kitchen, living room, terrace, two bedrooms, a bathroom and beautiful sea views.

Located on the coast and close to Marbella is Miraflores urbanization which is characterized by the exuberance gardens, pools and waterfalls that surround its houses and apartments as well as offering various sports facilities with tennis club, water sports and golf course 19 holes with its own golf academy. The sports offer is joined by restaurants and shops that make it a privileged urbanization where live or spend your summer.

The apartment is in an urbanization with fully consolidated gardens to walk get to the fantastic swimmingpool where you can swim, enjoy the sun and have a drink in the small bar that gives service. In the apartment we find the living room with good quality furniture and a balcony with beautiful sea views and the beautiful green areas to relax as garden is designed to keep the apartments away from the pool noise.

To the right of the living room the dining area that leads to the cheerful fully equipped American kitchen. And we went to the hall where we found the bedrooms and the bathroom.

The two bedrooms have fitted wardrobes and modern decoration. The bathroom has a large window.

From all the rooms in the house, including the kitchen, you can enjoy with sea or gardens views.

It is the ideal apartment to live all year with the quality of holidays life
